Project Description

According to the Bank's website, this TA will support capacity building of central banks and financial regulators of ASEAN, particularly for Cambodia, the Lao People's Democratic Republic, and Viet Nam (CLV) through knowledge and experience sharing among peer ASEAN central banks and Japan Financial Service Agency. Serving as a platform of supervisory dialogue, this TA will enhance cooperation and coordination among ASEAN countries, and it will further strengthen ASEAN countries' financial integration.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
