Project Description

According to the ADB, the proposed Sustainable Fiscal Management and Governance Improvement Program supports the Kyrgyz Republic to improve governance and climate and gender-responsive public financial management (PFM), strengthen governance of state-owned enterprises (SOEs), strengthen tax policy and administration, and adopt anticorruption measures.

The expected outcome is climate responsive, transparent, and fiscally sound governance and public investment management. To support this outcome, the government will strengthen PFM; improve corporate governance of SOEs; enhance the transparency and accountability of tax policy and administration; and implement anticorruption measures.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
