Project Description

As stated by the ADB, the proposed Sustainable Fiscal Management and Governance Improvement Program supports the Kyrgyz Republic to improve governance and climate and gender-responsive public financial management, strengthen governance of state-owned enterprises, strengthen tax policy and administration and anticorruption measures.

The proposed program will support policy, legal, and institutional reform in four areas (i) strengthened quality of PFM, (ii) improved governance of SOEs, (iii) strengthened tax policy and administration, and (iv) improved transparency and accountability in public administration.

These reform areas are aligned with the National Development Strategy of the Kyrgyz Republic for 2018-2040 and Asian Development Bank Country Partnership Strategy for the Kyrgyz Republic, 2023-2027. The proposed technical assistance project will assist the government of the Kyrgyz Republic in implementing reforms under the proposed program.
