Project Description

According to the Bank's website, the technical assistance (TA) aims to enhance the institutional arrangement within the Government of Cambodia, enabling more effective and sustainable portfolio monitoring. This will be achieved by strengthening the capacity of the Department of Project Portfolio Management (DPPM) of the Ministry of Economy and Finance (MEF) through (i) designing and operationalizing the portfolio management system; (ii) strengthening the project portfolio data management system; and (iii) operationalizing online training modules on portfolio management.

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categorization is low.

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$500,000, which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF 7). The government will provide counterpart support in the form of in-kind and in-cash contribution estimated at \$220,000.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
