Project Description

According to the Bank's website, the TA aims to enhance the Government of Viet Nam (GoV)'s evidence-based economic management capability including macroeconomic monitoring, planning and execution of public investment and external financing, and sector policies' formulation. The TA responds to requests by the GoV for near-and medium- term support on various economic management issues. ADB will serve as the TA executing agency, drawing on expertise of relevant bank staff through a OneADB team, while relevant government ministries, provinces and institutions will serve as implementing agencies for specific outputs as appropriate.

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$1,000,000, which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-other sources). The government will provide and administer counterpart funding of \$300,000, separate from ADB's fund.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
