Consistent with the established fund documents, ADB will not invest its own capital alongside the fund.

## Early Warning System Project Analysis

ADB has categorized the investment in compliance with ADB's Safeguard Policy Statement (2009) as follows: environment (category C), involuntary resettlement (category C), and indigenous peoples (category C).

The environment and social due diligence report covering Chickin's business operations and plan for using ADB proceeds confirms that these are likely to have minimal adverse impacts on the environment and will not trigger involuntary resettlement or indigenous peoples safeguards.
