Project Description

As stated by the ADB, the TA aims to institutionalize gender mainstreaming in the Ministry of Energy in Kyrgyz Republic through the following activities:

- (i) develop a gender strategy for the Ministry;
- (ii) building capacity of the Ministry, female staff, and members of the Gender Council on applying a gender lens in programming;
- (iii) incorporate gender aspects by establishing gender-sensitive workplace policies after reviewing current HR policies, and train staff on its use;
- (iv) launch an outreach program to support women's employment in the energy sector, encourage girls to enroll to energy specialties, entry of women entrepreneurs into energy-related businesses by partnering with educational institutions; and
- (v) increase regional cooperation of women in the energy sector through conducting a knowledge event and establishing regional partnerships.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
