### **Project Description**

As stated by the ADB, the proposed technical assistance will support Ministry of Health of the Republic of Kazakhstan (MOH) and Turar Healthcare with health sector planning, including sector analysis, master planning of health services, hospital infrastructure planning, project identification, and related capacity building. Improved healthcare planning will help establish an integrated, modernized, and climate-friendly health services network to achieve better quality and efficiency of public health services towards Universal Health Coverage and Sustainable Development Goals.

The Ministry of Health of the Republic of Kazakhstan has identified health infrastructure development as a priority and has requested ADB to assist with sector analysis, master planning, hospital design, project scoping, and related capacity building.

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
