| Investment Amount (USD) | \$ 159.00 million |
| Loan Amount (USD) | \$ 159.00 million |

Project Description

According to ADB, the proposed project aims to (i) improve the living environment in Dhanbad, and (ii) reduce pollution in the Damodar River by establishing climate-resilient sewer networks and on-site sanitation facilities in areas that are not conducive for pipe networks to provide improved sanitation services to 100% of the residents. It will also address capacity and institutional constraints for efficient and sustainable sewerage service delivery.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
