Investment Description

- Asian Development Bank (ADB)

The TA financing amount is $500,000, which will be financed on a grant basis by the Financial Sector Development Partnership Special Fund (FSDPSF).

BIDV will contribute staff hours and other in-kind support and contribute own funding, as necessary to achieve the outputs. However, at this point, the TA does not anticipate cash contributions, cost recovery, transfer of funds, or other provisions.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Joint Stock Commercial Bank for Investment and Development of Vietnam (Financial Intermediary)

Private Actors Description

Joint Stock Commercial Bank for Investment and Development of Vietnam provides various banking products and services for individuals, corporate customers, and financial institutions in Vietnam. It accepts various deposits products, such as bonds, current accounts, demand and fixed deposit accounts, promissory note/certificate of short term deposits, investment deposits, escrow accounts, long and short term valuable papers, securities trading deposits, demand deposits, and time deposits.
