Investment Amount (USD)	$ 0.40 million
Project Cost (USD)	$ 0.40 million

Preparing the Fujian Coastal Cities Climate-Resilient Development and Biodiversity Conservation Project

Project Description

According to the Bank’s website, the project consists of a technical assistance (TA) amounting to $400,000 from TASF-Others has been allocated for the preparation and due diligence of the proposed Fujian Coastal Cities Climate-Resilient Development and Biodiversity Conservation Project (the ensuing project). The ensuing project is included in ADB's lending program for 2025. The initial project parameters, including scope, implementation arrangements, and financing amount were confirmed with the government during the reconnaissance mission fielded on 25-30 March 2024. The TA will help the government prepare the project and develop capacity for implementation. The TA will also finance institutional strengthening activities and preparation of a knowledge management action plan. The ensuing project outcome and outputs are as follows: Outcome: Climate change resilience and biodiversity in Fuzhou and Yunxiao cities enhanced. Output 1: Capacity of institutions on climate and biodiversity action enhanced.

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is $400,000, which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-other sources).

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
