## Project Description

According to the Bank's website, the proposed Technical Assistance (TA) aims to strengthen the capacity of the Maharashtra government and governments in other selected states, to provide better access to and deliver affordable tertiary medical care in public hospitals and government medical colleges, with the ultimate objective of reducing the incidence of catastrophic OOPE and enhancing the quality. Key activities include-(i) Development of strategies and action plan to improve and upgrade existing tertiary care hospitals to medical colleges, (ii) Identification and implementation of policy actions for improving medical education and their implementation, (iii) Capacity building of the States, National Medical Commission (NMC), Ministry of Health and Family Welfare (MoHFW), Government of India for medical education and Universal Health Coverage (UHC).

## Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable

Involuntary Resettlement: Not Applicable

Indigenous Peoples: Not Applicable

## Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$2 million, which will be financed on a grant basis by the Japan Fund for Prosperous and Resilient Asia and the Pacific (JFPR) and administered by ADB. The government will provide counterpart support in the form of counterpart staff, office space and other in-kind contributions.

## Contact Information

Project Officer: Akiko Kitamura

Designation: Senior Health Specialist - Asian Development Bank

Email: [akitamura@adb.org](mailto:akitamura@adb.org)

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
