

 Early Warning System

ADB-58204-001

Strengthening Urban Resilience and Fiscal Capacity for Climate Actions

Quick Facts

Countries	Indonesia
Specific Location	Jakarta
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	U
Voting Date	2024-12-10
Borrower	Government of Indonesia - Directorate General of Railways
Sectors	Technical Cooperation, Transport
Investment Type(s)	Grant
Investment Amount (USD)	\$ 1.50 million
Project Cost (USD)	\$ 1.50 million

Project Description

According to the Bank's website, the proposed TA will support the Government of Indonesia in strengthening urban resilience and the provincial government of Special Capital Region of Jakarta (DKI Jakarta) in exploring new revenue streams, focusing on carbon pricing mechanism, to strengthen their fiscal capacity to implement climate adaptation and mitigation actions. The TA activities will be split into three main components: (i) preparing a design reference or standard for incorporating sustainable transport measures in grade-separated railway crossing development; (ii) developing a road map for the implementation of carbon pricing mechanism and the associated investment plans for DKI Jakarta; and (iii) providing capacity support for preparation of climate resilience projects.

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable

Involuntary Resettlement: Not Applicable

Indigenous Peoples: Not Applicable

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$1,500,000, which will be financed on a grant basis by the Urban Resilience Trust Fund under the Urban Financing Partnership Facility and administrated by ADB.

The government will provide counterpart support in the form of counterpart staff, access to existing reports and data, administrative assistance, and other in-kind contributions.

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
