Strengthening Public Health Services in Mongolia

Quick Facts

Countries	Mongolia
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	U
Voting Date	2024-11-15
Borrower	Government of Mongolia
Sectors	Education and Health
Investment Type(s)	Advisory Services
Investment Amount (USD)	\$ 0.50 million
Project Cost (USD)	\$ 0.50 million

Project Description

The TA will assist the government in achieving health related objectives set in the Vision 2050, Mongolia's long-term national development policy, and medium-term strategies and priorities, by implementing the Public Health Law (2024). The law creates legal basis for the new developments in the system for prevention and control of diseases, health promotion, and response to public health threats and emergencies. The TA's assistance will include consulting support for development and implementation of practical recommendations and actions to implement the law, including defining the structure and functions of the new system for public health services, policy to ensure availability of qualified human resources for public health services, and designing optimal systems for the provision of health education among the general population and promoting health at workplace, complemented by the wide range of capacity building.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
