Project Description

According to the Bank's website, the overall purpose of the TA is to improve the health and well-being of the aging population by developing guidelines and training on the integration of Traditional Chinese Medicine (TCM) into Elderly Care and the dissemination of TCM knowledge to older persons and Community Health and Elderly Care service providers through an enhanced digital knowledge platform.

The TA will be aligned with the following impact: Improved health and well-being of the aging population. The TA will have the following outcome: an additional 500,000 people nationally will have increased access to TCM knowledge and practices.

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable

Involuntary Resettlement: Not Applicable

Indigenous Peoples: Not Applicable

Investment Description

- Asian Development Bank (ADB)

The total TA financing amount is \$300,000, which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-other sources). The government will provide counterpart support in the form of counterpart staff time, access to data, and other in-kind contributions.

Contact Information

Project Officer: Meredith Wyse

Designation: Senior Social Development Specialist (Aging and Care) - Asian Development Bank

Email: mwyse@adb.org

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
