| Sectors | Construction, Infrastructure, Technical Cooperation |
| Investment Type(s) | Grant |
| Investment Amount (USD) | \$ 0.60 million |
| Project Cost (USD) | \$ 0.60 million |

Project Description

According to the Bank's website, the TA will support the Ministry of Housing and Urban & Rural Development (MHURD) to (i) develop a standard and database related to urban construction life cycle carbon dioxide (CO₂) emissions on buildings; (ii) prepare technological pathways of low-carbon urban transition towards carbon neutrality; and (iii) develop policy incentives promoting low-carbon urban transition. Based on the research and pilot implementation, the TA will provide policy advice, enhance capacity of XX (with at least 35% women), and disseminate knowledge.

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable

Involuntary Resettlement: Not Applicable

Indigenous Peoples: Not Applicable

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$600,000, financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-other sources).

The government will provide counterpart support in the form of counterpart staff, logistics and administrative support, and other in-kind contributions.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
