Project Description

According to the ADB, the technical assistance (TA) will support the Government of Mongolia in preparing a comprehensive strategy and action plan to modernize the business processes within Mongolia's energy system. This will enhance efficiency, facilitate the integration of renewable energy sources, and align the energy sector with international best practices.

Additionally, the TA will build capacity to sustain reforms, support the transition to renewable energy, and establish competitive markets with more effective business processes.

The Ministry of Energy will be the project executing agency.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
