Mahaweli Water Security Investment Program Stage 2 Project

Early Warning System

Mahaweli Water Security Investment Program Stage 2 Project

ADB-58321-001

Quick Facts

Countries	Sri Lanka
Specific Location	Dambulla, Elahera, Minipe
Financial Institutions	Asian Development Bank (ADB)
Status	Proposed
Bank Risk Rating	A
Borrower	Government of Sri Lanka - Ministry of Irrigation
Sectors	Agriculture and Forestry, Infrastructure, Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	$ 200.00 million

Project Description

According to the Bank’s website, the proposed project will include the (i) completion of the remaining section of the tunnel (about 4.7 km tunnel drilling) and other balance works, including permanent support and finishing works; invert concrete of entire tunnel; dismantling and removal of tunnel-boring machines; connection to cut and cover sections at portals; site restoration; and (ii) construction of open or covered canal or conduit and tunnel with a total length of 68.3 km.

The project will also cover (i) construction or improvement of cascade irrigation distribution networks and the commercial agriculture development (CAD); (ii) support to agricultural and water productivity improvement for selected cash crops, such as land preparation; planting materials; sprinkler and/or drip irrigation; extension services; marketing; and farmers' training and capacity development; and(iii) provision of 'water on demand' to farmers through modernized irrigation systems. These are additional to the original MFF scope to maximize the completed irrigation infrastructure.

Early Warning System Project Analysis

Environment: A

Involuntary Resettlement: B

Indigenous Peoples: C

Investment Description

- Asian Development Bank (ADB)

Loan (Ordinary capital resources): US$ 200.00 million

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
