Project Description

According to the Bank's website, the proposed regional technical assistance (TA) is to support the implementation of the E-Mobility Program (the program) cofinanced by the GCF and ADB. The program was approved by GCF in March 2024 and promotes a transformational shift to climate resilient zero emission mobility systems in the program countries (Armenia, Georgia, Indonesia, Kazakhstan, Kyrgyz Republic, Nepal, and Uzbekistan). The program will consist of projects, which may be new projects or additional financing of existing projects, that will be developed and implemented in the program countries and that will be selected in accordance with the eligibility criteria. The TA is to help ADB plan, implement, and monitor the program.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
