Loan Amount (USD)	$ 30.00 million
Grant Amount (USD)	$ 8.00 million
Project Cost (USD)	$ 38.00 million

Project Description

According to the Bank’s website, the government has recognized the pressing needs to enhance climate resilience and has developed the National Strategy for Adaptation to Climate Change for the Period up to 2030. The government has requested ADB to support urban water resilience in Dushanbe given ADB's in-depth engagement in WSS improvement in the capital city since 2018.

The executing agency for the project will be State Executive Authority of Dushanbe City and the implementing agency will be State Unitary Enterprise Dushanbevodokanal (DVK), which are also the executing and implementing agencies of the Dushanbe Water Supply and Sanitation Project and additional financing.

Environment: B

Involuntary Resettlement: B

Indigenous Peoples: C

Investment Description

- Asian Development Bank (ADB)

The project cost estimate is $38 million. The project team has secured $8 million grant from Asian Development Fund 14 thematic window for climate change resilience for 2027 commitment. The remaining $30 million is expected to be financed through concessional ordinary capital resources loan for 2027 commitment. The financing amount is to be reflected in future programming documents, and confirmed through the 2026 Country Programming Mission Aide Memoire.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
