Project Description

According to the ADB, the preparatory technical assistance (TA) will develop capacity in the housing and mortgages sector in the Kyrgyz Republic to create the enabling environment to implement the ensuing project. The TA will develop a Green Mortgage Finance Program by (i) designing a green mortgage loan product to support the low-to-moderate income population; (ii) developing underwriting criteria for mortgages to be offered; and (iii) support in identifying green housing criteria incorporating local building codes and international requirements to be applied for eligibility of housing for the project. The TA will also evaluate the capacity of SMC to serve as an implementing agency and identify areas of support necessary during the course of the project.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
