ADB-58354-001

Role of Artificial Intelligence in Asia's Growth and Development

Project Description

According to the Bank's website, the knowledge and support small-scale technical assistance (TA) will carry out new research and produce knowledge products that will assess the role of artificial intelligence (AI) in developing Asia's economic growth and development. AI, which leverages and builds upon digital technology, has emerged as a transformative technology that could fundamentally reshape the global economy and society. In particular, there are growing hopes that the recent advent of generative AI can lift productivity growth and promote inclusive and sustainable development. The outputs are the following: (1) assessment of DMCs' readiness for AI adoption conducted; (2) analysis of AI's contribution to economic growth and development prepared; and (3) policy recommendations and knowledge sharing promoted.

Early Warning System Role of Artificial Intelligence in Asia's Growth and Development

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
