Project Description

According to the Bank's website, the TA supports the Government of Pakistan in advancing public sector pension reforms by preparing a comprehensive reform plan, facilitating the shift to a new defined contribution pension scheme, and improving governance of the existing defined benefit system. It strengthens the federal pension agency through capacity building, development of an ITbased account management system, and improved monitoring and reporting. The TA also enhances stakeholder engagement and financial literacy to ensure smooth implementation and longterm sustainability of pension reforms.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
