Project Description

According to the Bank's website, the TA will assist market development initiatives and public-private partnership (PPP) projects in Asian Development Bank (ADB) Developing Member Countries (DMCs) that are classified as Fragile and Conflict-Affected Situations (FCAS) and Small Island Developing States (SIDS). The TA will support DMCs in markets development and in delivering PPP projects which are sustainable, resilient, deliver quality, and facilitate inclusive growth. The scope of the TA will cover markets development initiatives and policy support, transaction advisory services (TAS), project due diligence, project preparation and structuring, developing financial models, assessing project financial viability, preparing project documentation (including concession agreements and tender documents), assisting in contract negotiations, regulatory support, project monitoring and performing other activities as may be required by the clients.

Early Warning System Project Analysis

According to the Technical Assistance Report, the Risk Categories are:

Environment: Not Applicable

Involuntary Resettlement: Not Applicable

Indigenous Peoples: Not Applicable

Investment Description

- Asian Development Bank (ADB)

The TA financing totals \$2,000,000, of which \$1,500,000 will be financed on a grant basis from ADB's Technical Assistance Special Fund (TASF 7) and \$500,000 will be financed from TASF-other sources.

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
