Project Description

Accrding to ADB, the proposed technical assistance (TA) will support the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India (GoI) in developing an enabling system for scaling up implementation of India's climate commitments and priorities, thereby advancing green growth and climate resilience.

Objectives:

1)The TA will also support enhancement of knowledge and capacity development of MoEFCC, sectoral ministries/departments and state-level agencies for formulation of climate strategies and investments.

2)The TA will help facilitate engagement with government agencies at national and state levels on strategic priorities and challenges related to scaling up implementation of climate actions, and will inform ADB pipeline development aligned with national climate commitments and priorities. Such support will contribute to GoI's efforts to mobilize financial resources for green growth and climate resilient development.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
