

 Early Warning System

ADB-58400-001

Climate-Resilient Agriculture Facility Project

Quick Facts

Countries	Thailand
Financial Institutions	Asian Development Bank (ADB)
Status	Proposed
Bank Risk Rating	U
Borrower	Government of Thailand - Bank of Agriculture and Agricultural Cooperatives
Sectors	Agriculture and Forestry, Finance
Investment Type(s)	Loan
Investment Amount (USD)	\$ 150.00 million

Project Description

According to the Bank's website, the Climate-Resilient Agriculture Facility Project will support the development of climate resilient and inclusive agriculture value chains to mitigate climate change risk, enhance agricultural productivity and food security, and reduce rural poverty. It will improve economies of scale, strengthen capacity, and scale up climate investments in the agriculture sector by transitioning smallholder farmers to agribusiness enterprises or groups and increasing access to finance. It is aligned with the following impact: climate-resilient and sustainable agricultural and rural development in Thailand achieved. It will have the following outcome: climate-resilient and inclusive agriculture value chain developed. The indicative amount of the regular ordinary capital resources loan of the Asian Development Bank (ADB) for the ensuing project is \$150 million.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
