### Project Description

According to the bank's website, "the proposed program will support the Government of Cambodia's efforts in achieving its targeted urban and water resilience, economic growth, poverty reduction, and sustainable development goals (SDGs). It will support priority short- to long-term investments to (i) improve, expand, and sustain resilient urban areas, infrastructure, and services; (ii) promote water security in 10 cities and 2 districts across the Mekong, Tonle Sap, and coastal regions; and (iii) foster reforms and institutional strengthening of service providers".

---

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

### Hasanah, Siti

Sectors Department 2

Water and Urban Development Sector Office (SD2-WUD)

### Executing Agency: Ministry of Industry, Science, Technology and Innovation

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
