### Project Description

According to the Bank's website, this technical assistance will help the government prepare the ensuing project, Modernizing Social Insurance System Project, through conducting due diligence and assessments required for project processing. This will also support attainment of project readiness, and enable timely start of project implementation.

The performance and sustainability of state social insurance and Tajikistan's pension system are affected by weak and fragmented legislation, inadequate social insurance system administration, weak financial management, weak capacity in actuarial calculations, weak internal audit and fraud prevention, lack of systems and weak capacity in implementing personified accounting of pension rights, weak control of the assignment and payment of pensions, and almost absent digitalization of the system.
