Project Description

The transaction technical assistance (TA) complements a proposed loan of up to \$30,000,000 to ETC Group (ETG) for the ETG Resilient Coffee and Cashew Value Chain Project in India and Viet Nam. The loan will finance ETG's permanent working capital to support sustainable coffee and cashew procurement from aggregators and cooperatives, which will ultimately benefit 5,740 smallholder farmers in India and Viet Nam. The project will benefit the coffee and cashew farmers by providing a reliable source of income, sustaining employment, and improving their adaptive capacity to climatic conditions, thereby increasing their resilience.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
