Project Description

According to the Bank's website, the TA activities will support analytical studies, data analysis, and knowledge-sharing activities aligned with SARD's operational pipeline of 2025-2027 and the five strategic focus areas for accelerated work identified by the Strategy 2030 Midterm Review (MTR), namely, (a) climate action, (b) private sector development, (c) regional cooperation and public goods, (d) digital transformation, and (e) resilience and empowerment.

This TA responds to the need for high-quality insights and up-to-date analytics on major economic trends and economic policy issues that impact ADB's operations and strategy in South Asia, especially those related to macroeconomic stability; the role of trade and private sector development in fostering structural transformation, the future of work and social protection, and food security.

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$225,000, which will be financed on a grant basis by ADB's Technical Assistance Special Fund (TASF-other sources).
