Project Description

According to bank's website, the proposed technical assistance (TA) will strengthen the Asian Development Bank (ADB) in providing more unique value additions in future ADB projects for the Government of India and the capacity of India's executing and implementing agencies for (i) project preparation with enhanced project design built-in with finance-plus and budget-plus elements and with enhanced project implementation readiness; and (ii) project management of ongoing projects in all aspects of implementation. The TA will support various aspects of project document preparation including assessment of agencies' capacity across different areas and the proposed measures to strengthen them. The TA will also provide capacity-building support in important areas such as project design and value addition, safeguards, procurement, financial management, climate change, gender, and other relevant topics.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
