Investment Amount (USD)	\$ 0.30 million

Project Description

According to the bank's website, the "technical assistance (TA) will support the Government of Timor-Leste in strengthening institutional capacity of project implementation, including improving the readiness of future project pipelines and delivering knowledge products in line with the Asian Development Bank's (ADB) Country Partnership Strategy for Timor-Leste 2023-2027. The TA was initially proposed during the 2024 country programming and portfolio review mission (CPPRM) and reaffirmed during the 2025 CPPRM. It will also provide targeted knowledge support to strengthen pipeline development and policy dialogue. The TA activities will be jointly coordinated by the Directorate General of External Resources Management and Mobilization of the Ministry of Finance (MoF) and the Timor-Leste Resident Mission (TLRM). The initiative responds to the government's request to strengthen the capacity of executing agencies (EAs) and implementing agencies (IAs) in project preparation and implementation, addressing portfolio implementation challenges while promoting inclusive and equitable development outcomes.to strengthen the capacity of executing agencies (EAs) and implementing agencies (IAs) in project preparation and implementation, addressing portfolio implementation challenges while promoting inclusive and equitable development outcomes".

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
