<b>Borrower</b>	Department of Higher Education - Karnataka
<b>Sectors</b>	Education and Health
<b>Investment Type(s)</b>	Loan
<b>Investment Amount (USD)</b>	\$ 200.00 million

## Project Description

According to the Bank's website, the project will catalyze the transformation of teaching-learning and assessment systems across higher education sector with emphasis on degree awarding Government First Grade and Engineering Colleges, and Polytechnics leading to quality employment for graduates. Specifically, this project will upgrade infrastructures and physical and digital facilities; trained teachers; strengthen competency-based assessment systems; introduce centers of excellence and skill centers; improve internal quality assurance and develop relevance research & development and innovation eco-system. The project will also encourage meaningful collaboration of higher education institutions in Karnataka locally and internationally with industries and other higher education institutions.

The proposed Karnataka Higher Education Transformation project aims to (i) expand access to quality higher education, particularly for children from rural and underserved communities in Karnataka; and (ii) improve relevance of higher education particularly to aligning with growing economic sectors and emerging industries in the State and India.

## Contact Information

*No contacts available at the time of disclosure.*

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
