| Bank Risk Rating | C |
| Borrower | Government of Azerbaijan - Baku Metropolitan Closed Joint Stock Company |
| Sectors | Transport |
| Investment Type(s) | Loan |
| Investment Amount (USD) | \$ 150.20 million |

Project Description

According to the Bank's website, Baku Metro Digitalization Project will support the digitalization of Baku Metro's operational systems, with a focus on train traffic management and passenger travel information. The outcomes will include improved operational and financial performance of Baku Metro. The project will lay the foundation for public transport-centered mobility in Baku, addressing severe congestion driven by population growth and rising private car use.

Early Warning System Project Analysis

Environment: C

Involuntary Resettlement: C

Indigenous Peoples: C

Investment Description

- Asian Development Bank (ADB)

The financing amount is \$150,200,000, which will be financed on a loan basis by ADB's ordinary capital resources.

Private Actors Description

Baku Metro Closed Joint-Stock Company (Baku Metro CJSC) is the state-owned entity responsible for operating and constructing the metro system in Baku, Azerbaijan. Established in 2014 by presidential decree, it combined former metro operations and construction entities (Azertunelmetrotikinti) to manage the city's subway network.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
