### Project Description

According to the bank website, the Government of the Republic of Côte d'Ivoire has received funding from the African Development Bank Group (ADB) to cover the cost of the Abidjan Urban Transport Project and intends to use part of the funds granted under this loan to finance the contract for consultancy services for:

- raising public awareness of road safety, traffic laws, HIV / AIDS and other pandemics and environmental protection during the implementation of the project,
- carrying out the study for the review and extension of the road education program in schools, and
- the project's road safety audit.

(Summary taken from document descriptions on bank disclosure website: "<https://www.afdb.org/en/projects-and-operations/p-ci-d00-010>".)

### ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing [crmuinfo@afdb.org](mailto:crmuinfo@afdb.org), [b.kargougou@afdb.org](mailto:b.kargougou@afdb.org), [b.fall@afdb.org](mailto:b.fall@afdb.org), and/or [s.toure@afdb.org](mailto:s.toure@afdb.org). You can learn more about the IRM and how to file a complaint at <https://www.afdb.org/en/independent-review-mechanism/>.
