Borrower	Government of Ethiopia
Sectors	Agriculture and Forestry
Investment Type(s)	Grant
Investment Amount (USD)	\$ 52.86 million
Project Cost (USD)	\$ 92.31 million

Project Description

According to the Bank's website, the proposed operation is a grant of UA 40 million to Federal Democratic Republic of Ethiopia for the Climate Smart Wheat Value Chain Development Project (CREW). The Project is aligned to the sustainable development goals (SDGs), and particularly SDG1 (no poverty), SDG2 (zero hunger), SDG 5 (gender equality) and SDG 13 (climate action). It is also aligned to the African Union's (AU) Agenda 2063 for a Prosperous Africa, based on Inclusive Growth and Sustainable Development. The CREW will also contribute to the achievement of the Bank's policy commitments under the Sixteenth General Replenishment of the African Development Fund (ADF-16) strategic direction of Fostering a Climate Smart, Resilient, Inclusive and Integrated Africa, specifically improving the ADF countries' food self-sufficiency and resilience. The Project consists of three components: (i) Climate Smart Wheat Productivity and Production; (ii) Market Infrastructure, Linkages, and Agri-Finance; and (iii) Project Coordination and Management. It is designed to be implemented for five years (2023-2028).

The project development objective is to improve wheat productivity and production thereby increasing the incomes of small-scale wheat farmers in Ethiopia.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents>. Under the AfDB's Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at <https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process>.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinto@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: <https://www.afdb.org/en/independent-review-mechanism/>
