Project Description

The project primary objective is to support the Government of Liberia strengthen its capacity to deliver the much needed services to its people.
The project intends to:

- undertake feasibility studies and provide a master plan for the Buchanan Economic zone and Special Agro Industrial Processing Zones (SAPZs) in Liberia,
- prepare sector strategies and programs for key sectors of the economy to support the Government's National Development Strategy,
- develop the Ministry of Public Works' Five-Years (2019-2024) Infrastructure Strategic Plan, and
- organise a Infrastructure Sector Review Conference for inputs to ensure a broadbased consultative process involving stakeholders from public, private, civil society organizations and government institutions.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at https://www.afdb.org/en/independent-review-mechanism/.
