Sectors	Energy
Investment Type(s)	Loan
Investment Amount (USD)	$ 8.21 million
Loan Amount (USD)	$ 8.21 million
Project Cost (USD)	$ 8.21 million

Project Description

According to bank's website, The Urban Electricity Distribution Network Rehabilitation and Expansion Project – Additional Financing in Lesotho is a supplementary financing operation for the ongoing urban electricity distribution rehabilitation project. The additional financing is intended both to modify and scale up the original project in order to improve transmission and distribution reliability and prepare the network for future renewable energy integration. The project includes the upgrade of the Khukhune 88/33 kV substation through the addition of two 30 MVA transformers, the construction of 8 km of 132 kV transmission line from the Muela hydropower plant to connect to the South Africa 88 kV transmission line at Khukhune, feasibility studies for future 132 kV transmission lines from Khukhune to Letseng/Mokhotlong and from Mofoka to Thetsane/Maseru, and project management, supervision, and ESMP implementation. The additional financing amounts to UA 6.130 million from the African Development Fund, with UA 0.326 million in Government counterpart contribution, for a total additional financing cost of UA 6.456 million. The overall project cost, including the original operation, is estimated at UA 15.991 million. The executing agency is the Lesotho Electricity Company (Pty) Ltd.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents. Under the AfDBÕs Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
