Project Description

According to bank provided infromation, the objective of the Bank's intervention is to contribute to covering the urgent needs for agricultural inputs that will enable the rapid resumption of production and thus contribute to strengthening the resilience of households affected by the floods. The Bank's action will help mitigate the impact of this natural disaster and prevent negative effects related to malnutrition and the development of epidemics. The P2RS Project Management Unit (PMU), reinforced by the PATAM project's procurement expert, will coordinate and manage the emergency project.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
