Project Description

This technical assistant project aims to strengthen the capacities and share experiences of supporting` the Senegalese Operational Monitoring Office (BOS) by enabling it to strengthen its capacities and to set up a pilot Centre of Excellence on Delivery Units. The specific objectives are as follows: (i) To strengthen the capacities of the BOS in order to enable it to play its role as a model for Delivery Units at continental level; (ii) To set up a pilot Centre of Excellence intended to support countries wishing to develop a Delivery Unit but also to facilitate exchanges between these countries on the subject of performance. The Centre of Excellence will be used to popularise and strengthen the Delivery Unit model by developing an approach adapted to the African context; (iii) Strengthen the role of Delivery Units in the context of the COVID19 health crisis. This project will strengthen the dialogue between the DUs in this area (exchange of good practices). The project will also support the BOS in the post-Covid phase through the structuring of an ambitious project to revive the pharmaceutical sector in Senegal.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
