Project Description

According to bank provided information, the overall objective of the project is to strengthen the national statistical system (NSS) to produce and disseminate statistical information for evidence-based policy formulation, planning and decision making. The specific objectives are:

i. to provide technical support in institutional building and statistical operations as well as support the coordination and advocacy for the national statistical system;
ii. (ii) to enhance the technical capacity of staff, through short- and long-term official statistical trainings and on-the-job skills transfer; and
iii. (iii) to build functional Information Communication Technology (ICT) for production and management of statistical information for FGS and the beneficiary FMS.

Statistics Development Support Project for Somalia is financed by African Development Fund, ADF 15 - PBA for UA 3.0 million. This is a capacity development project for statistics that will help to enhance the quality and quantity of statistics in the country, to improve evidence-based decision-making and policy dialogue, in line with nationally determined priorities. The expected outputs of the project will be:

i. trained staff in collection, compilation, analysis and dissemination of statistical data as well as coordination and advocacy products;
ii. manuals and guidelines compliant with international statistical concepts, methods and classifications produced;
iii. functional and equipped ICT Statistics Departments for Federal Member States (FMS);
iv. Databases, Data portal and better quality statistical publications for Federal Government of Somalia (FGS) and FMS, and functional national coordination committee and Technical Working Groups (TWGs) for the national statistical system. The implementation schedule runs from 2022 to 2024.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents. Under the AfDBÕs Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
