Borrower	TANROADS - Tanzania National Roads Agency
Sectors	Transport
Investment Type(s)	Loan
Investment Amount (USD)	\$ 116.34 million
Project Cost (USD)	\$ 117.85 million

Project Description

According to the bank website, the objectives of the project are to contribute to the country's social and economic development by providing a more efficient and effective transport corridor and to promote trade and regional integration along the Mtwara Development Corridor. The specific project objectives are to improve accessibility and road transport services along the corridor by reducing travel time and vehicle operating costs and improving road traffic safety along the road.

The Mnivata Newala Masasi (160 Km) Road Upgrading Project was designed to improve the accessibility of the 816 km long Mtwara Development Corridor (MDC) commencing from Mtwara to Mnivata up to Mbamba Bay on Lake Nyasa. This is for upgrading the 160 km road to bituminous standard including 84 m Mwititi Bridge and complementary initiatives.

Investment Description

- African Development Bank (AFDB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents>. Under the AfDB's Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at <https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process>.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: <https://www.afdb.org/en/independent-review-mechanism/>
