Financial Institutions	African Development Bank (AFDB)
Status	Approved
Bank Risk Rating	U
Voting Date	2022-03-16
Borrower	Government of Tanzania
Sectors	Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	$ 125.19 million
Project Cost (USD)	$ 132.84 million

Project Description

According to the bank website, the objective of the project is to improve and expand water supply for domestic and industrial use, sanitation services, food and nutrition security by harnessing water resources and developing infrastructure and water and sanitation systems for Dodoma City, Bahi, Chemba and Chamwino towns. This Program Appraisal Report (PAR) presents the first phase of the program. The specific objective of the first phase is to construct water storage and treatment facilities and prepare transmission and distribution systems to meet the current and future water demand for water supply, sanitation, irrigation, fisheries and industrial use. The main activities under the first phase of the program are: (i) construction of a32-metre high Farkwa Dam which will impound raw water (470 million m3), (ii) construction of a 128,000 m3/day Water Treatment Plant (WTP),(iii) Preparatory studies/designs for the water conveyance systems to Dodoma City, Bahi and Chamwino Towns, wastewater treatment and sanitation facilities, fisheries development; and (iv) catchment protection and management and capacity development.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.afdb.org/en/disclosure-and-access-to-information/request-for-documents. Under the AfDBÕs Disclosure and Access to Information policy, if you feel the Bank has omitted to publish information or your request for information is unreasonably denied, you can file an appeal at https://www.afdb.org/en/disclosure-and-access-to-information/appeals-process.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
