Project Description

According to bank documents, at the sectoral level, the objective of these studies is to strengthen economic exchanges between the Governorates of Gabes and Gafsa with Algeria and Libya through a quantitative and qualitative improvement of transport infrastructures. At the specific level, it’s a question of developing the two corridors concerned by the project.

The present intervention relates to the Economic Corridor Studies: "Bouchebka (Algerian Border) - Telepte- Gafasa - Gabes" and "Hazoua (Algerian Border) - Tozeur and Gabes". They aim at reinforcing the economic exchanges between the Governorates of Gabes and Gafsa with Algeria and Libya. This intervention includes: (i) the study of two corridors on the Tunisian territory between the border posts with Algeria at the port of Gabes (Tunisia) as well as (ii) the study of a logistic area at the port of Gabes.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at https://www.afdb.org/en/independent-review-mechanism/
