MANO RIVER UNION ROAD DEVELOPMENT AND TRANSPORT FACILITATION PROGRAMME (MRU/RDTFP) (PHASE II)

Project Description

The Programme shall consist of civil works for the upgrading to bitumen standard of the existing 207 km road section. The works shall include the improving of the road geometry to ECOWAS standards. It is envisaged that the road features shall emphasize climate-resilience in fostering green growth in the project development. The project shall incorporate trade facilitation aspects to promote both regional integration and promote the cross-border trade between Liberia and Cote D'Ivoire. A one One-Stop-Border-Post (OSBP) at the common border of Liberia and Cote D'Ivoire shall be constructed.

The objective of the project is to foster socio-economic development by enhancing trade and regional integration between Liberia and Cote D'Ivoire, through provision efficient road transport access to South East Counties of Liberia and south western region of Cote D'Ivoire (under the Mano River Union Region). The Programe shall improve accessibility both nationally and regionally.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at https://www.afdb.org/en/independent-review-mechanism/.
