Project Description

The Nagad-Loyada/Lowyaddo-borama Road Phase 1 Upgrading Project provides a critical link between Djibouti and Somalia and also serves as a strategic link to the Port of Djibouti, port strategically located along one of the world's busiest shipping routes. The project consists of six (06) main components, namely: (i) infrastructure investments, (ii) socio-economic infrastructure, (iii) advisory services, (iv) trade and transport facilitation, (v) institutional capacity building and (vi) compensation and resettlement.

The development objective of the project is to improve transport connectivity between Djibouti and Somalia, thereby deepening regional integration and trade, and contributing to alleviating fragility in the Horn of Africa. The specific objective of the project is to reduce travel time, reduce travel cost and improve road traffic safety, and improve the trading environment along the project road.

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at: https://www.afdb.org/en/independent-review-mechanism/
