<b>Loan Amount (USD)</b>	\$ 11.00 million

## Project Description

According to AfDB website, the project aims to support CEMAC countries and the DRC to contain and curb the coronavirus pandemic (Covid-19). The specific objectives are to (i) strengthen surveillance at points of entry (air, sea and land routes); (ii) build essential sub-regional and national capacity for Covid-19-related epidemiological surveillance and case management; (iii) ensure the availability of stocks of products for the prevention, control and treatment of symptoms; and (iv) ensure communication and coordination at the regional level.

## ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing [crmuinfo@afdb.org](mailto:crmuinfo@afdb.org), [b.kargougou@afdb.org](mailto:b.kargougou@afdb.org), [b.fall@afdb.org](mailto:b.fall@afdb.org), and/or [s.toure@afdb.org](mailto:s.toure@afdb.org). You can learn more about the IRM and how to file a complaint at <https://www.afdb.org/en/independent-review-mechanism/>.
