AFDB-P-Z1-K00-071

MULTINATIONAL STATISTICAL CAPACITY BUILDING PROGRAM (SCB 4.2)

Quick Facts

Financial Institutions	African Development Bank (AFDB)
Status	Approved
Bank Risk Rating	U
Voting Date	2015-09-22
Sectors	Technical Cooperation
Investment Amount (USD)	$ 13.85 million
Project Cost (USD)	$ 13.85 million

Project Description

The focus of this program supports the data needs of the Bank, other development partners, and RMCs in the core priority areas of infrastructure development, regional integration, private sector development, governance and accountability as well as skills and technology development. Special emphasis will be placed on gender statistics as well as data to inform sustainable agricultural and food security activities. More targeted and customized support will be provided for building statistical capacity in post-conflict and fragile states.

Investment Description

- African Development Bank (AFDB)

ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing crmuinfo@afdb.org, b.kargougou@afdb.org, b.fall@afdb.org, and/or s.toure@afdb.org. You can learn more about the IRM and how to file a complaint at https://www.afdb.org/en/independent-review-mechanism/.
