# DJIBOUTI-PROGRAMME D#APPUI EN REPONSE A LA CRISE POUR L#ATTENUATION DES IMPACTS DE LA COVID-19

## Project Description

According to AfDB website, the programme is a response to the requests from both Governments dated 28 May 2020 (Somalia) and 30 May 2020 (Djibouti), which emphasized the need for support in their joint efforts to address the crisis, through regional cooperation. Both countries are facing similar challenges due to the spread of COVID-19, which is negatively impacting health, livelihoods, economic stability, bilateral cross-border trade as well as trade with their common neighbours in the Horn of Africa (HoA).The operation is part of the broader commitment among countries participating under the Horn of Africa Initiative and the Intergovernmental Authority on Development (IGAD) frameworks to coordinate their COVID-19 responses and mitigation efforts.
