Project Description

According to AIIB website, the project aims to mobilize private capital for infrastructure and other productive sectors by investing in non-controlling equity stakes in companies in AIIB members via a fund.

Investment Description

- Asian Infrastructure Investment Bank (AIIB)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
